SCHOLARSHIP APPLICATION

The youth ministry at Chaparral Christian Church desires that every student is given every opportunity to grow in his or her relationship with Christ and with others in the faith community. We understand that at times financial obstacles exist that may prevent a student's participation in a certain trip or event. Therefore, as it is able, Chaparral will offer scholarships to students at up to 50% of the total cost towards those trips and events which the youth ministry leadership deems conducive to a student's spiritual growth.

The criteria and process for receiving scholarships is as follows:

- a) Families should have a real need for financial aid. Chaparral will not ask for statements as this is a matter of honor between you and God.
- b) The student should display an interest and an effort to integrate him/herself into the youth group and the larger church by committing to regular attendance to Sunday morning meetings as well as evening meetings and mission events as he/she is able
- c) Scholarships are only available for events that focus on service work, ministry development, or faith formation
- d) Each student will be eligible for no more than two scholarships per calendar year
- e) This form must be completed along with attached essay and turned in on the date deposits are due for the given trip/event
- f) Deposits must be paid by the deposit due date. Balance due will be equal to the Total Event Fee less Scholarship Awarded less Deposit Paid.
- g) The applicant will be notified of the amount of the scholarship and will then submit any necessary forms and balance of the registrations fee before the final registration deadline
